Luke 6

"¹² Now it came to pass in those days that He went out to the mountain to pray, and continued all night in prayer to God. ¹³ And when it was day, He called His disciples to Himself; and from them He chose twelve whom He also named apostles . . . "

Note that Jesus selected His Apostles from His universal body of disciples; therefore, the Apostles were a sub-set of the disciples. All Apostles were disciples but not all disciples were Apostles.
